THANK YOU!

Thursday, October 15th- School Board Meeting 7PM

Language Arts:

This week we'll continue our work on Visual Intelligence as well as working to improve our skills with our Reading Responses. We'll spend Wednesday's class talking about how to draw evidence from the text and how we can apply that to our own writing. We'll also work on a few skills necessary to do your One Story final drafts (coming soon!)

Wednesday- One Story Cover DUE

Friday- Reading Response #3 DUE

Math:

This week we will continue our study of circles and working forwards and backwards with the formulas for area and circumference. You will also get your quizzes on angles and vocab back at some point and we will go over them so you can make any needed corrections.

Homework due on:

Wednesday - Circle HW

Friday - More circle HW

SCIENCE:

This week in science, we move our weather thoughts to the "big picture" of what happens in the troposphere. We will learn about fronts, global winds, the jet stream, the Coriolis effect and how the SUN is the initial cause of these! We will also have another Current Event day on Friday.

Parents, the Water Cycle/Heat Transfer Quiz will be passed back on Tuesday so be sure to ask your 7th grader to bring the quiz home to show you.

Homework:

Due Friday - A science current event -and your summary of it of the blue sheet- that was reported about during the last 4 weeks.

Social Studies:

We're starting our rotations this week. You'll have a day of Lesson, Research, and an Activity. You'll need to come on Friday ready to share your question and your research from this week. Your homework each week will be to work on researching your question(s).

Homework: Research each night, ready to share in discussion group on Friday

ESPAÑOL: "No todo lo que brilla es oro." (Not all that glitters is gold.)

Miércoles (Wed): AR Conjugation Quiz

Viernes (Fri): ER & IR Verb Official Introduction
