“The function of education
is to teach one to think intensively
and to think critically.
Intelligence plus character—
that is the goal of true education.”
— Dr. Martin Luther King, Jr.

Language Arts:

We'll continue our WE Talk presentations this week. You have a final reflection due on Friday this week. We'll go over it on Tuesday in class and then you'll have this week to work on it. Some sections will have to wait until after your presentations, but most of it can be done as soon as you get it on Tuesday.

Friday- WE Talk Final Reflection Draft DUE

Math:

We will continue to work on scale this week in preparation for our NYC scale building project! You will get your quizzes back and we will go over them.

Homework due on:

Friday - Scale HW

SCIENCE:

Today (Tuesday) students will be given their graded Astronomy tests. The test should be taken home and shared with parents. Students should bring the **signed test** back to school Wed., Thurs., or Friday.

This week is devoted to the experimental design of a lab. In a small group, students will design and conduct a lab. Friday they will share their data and results with their classmates.

Homework:

Wed., Thurs. or Friday: Signed Astronomy test is due.

Social Studies:

This week we'll continue our financial simulation and lessons about budgets, money, and our economy.

Our activity this week will focus on the upcoming NH Primary.

Research due Friday

ESPAÑOL: “A falta de pan, buenas son tortas.” (If there is no bread, cakes will do.)
